

Flipping the Class at Film School

Resources we used to create this workshop:

Mentimeter

Online presentation software for interactive classrooms or meetings. Free or subscription based.

<https://www.mentimeter.com>

H5P

Create rich and interactive web experiences - all you need is a web browser and a web site with an H5P plugin like Wordpress, Moodle or Drupal. Free.

<https://h5p.org/>

QR Code Generator

Free tool to create QR codes that students can scan with iphone

<https://www.qr-code-generator.com>

And Moodle's built in Book and Quiz tools.

How to build a book: https://docs.moodle.org/37/en/Book_resource

How to create a quiz: https://docs.moodle.org/27/en/Building_Quiz

Note that you currently can't put a quiz in a book – in our example we linked to the quiz from inside the book, and hid the quiz on the course page using “stealth mode”

Alternatively you could use the Moodle lesson tool that has a built in quiz: https://docs.moodle.org/37/en/Building_Lesson
